BANK HEIST

PROPAGANDA PROTOCOL

“BANK HEIST” PROPAGANDA STRATEGY:

PURPOSE: to create a permanent, ongoing, circulating message with minimal to no cost and with minimal detection to the propagandist utilize the “BANK HEIST” strategy as follows in 6 steps:

1) Set up if at all possible not in one’s own name, multiple bank and credit union accounts preferably those which have multiple branches in a larger population area or multiple areas and which you will use only for this purpose, eg. Bank A; B; C;D. When establishing each account dress differently in all cases creating a specific persona to associate with each account, eg. Middle class person for bank A, lower class person for bank B, etc. Ensure that you record the persona mentally and adopt this persona in all subsequent dealings with this financial institution.

2) Order the lowest denomination of money bills in as large number as possible within reasonable range(no larger than 500 at a time) to avoid suspicion. This is to maximize the spread of the propaganda. The bank will assume you have a business of some sort and if asked ensure that it corresponds to your selected persona, eg. A restaurant or convenience store or a hotel,etc. Depending on your perceived socioeconomic status. Order this from banks A and C.

3) Once the bank contacts you to pick up your order do so in appropriate disguise using a costume that is believable and corresponds to your persona and which obscures your normal features to avoid detection. Remember: you are on camera.

4) Take order form bank A in disguise A, then switch disguises for bank B in disguise B taking the other order.

5) Return to base and have on hand a pad and bottle of permanent marker ink which can be obtained from eg. Ebay or the internet. Obtain a business stamp with interchangeable letters and characters to form the appropriate message which targets the audience you seek to reach and achieves your objective, eg. A website and slogan both of which should entice the audience and yet be explicit enough for them to understand the message. This has been done in slogans such as: “jewish white genocide” referencing the website “thezog.info. Other slogan examples are “immigration=white homelessness”; “jews behind immigration”; “jewish supremacism”. Websites egs.: jewwatch.com; judaism.is; smoloko.com

Stamp message in area of bill most easily seen..

6) Deposit in bank C in disguise C the first bundle of bills handing them face down so that the stamps are not visible to the teller. It is best to go to the bank at a busier time to avoid drawing attention from bored tellers. The teller will run the money through the counter machine and deposit it. Repeat for bank D in disguise D. Each money bill will be seen by thousands of viewers and with thousands of bills the message will continue to circulate virally. Virulent anti-jewishism at its finest. Coordinate this action with others if possible in advance to be done within a finite period, eg. During the course of one business week to spread it maximally over a larger area faster
