JEWSMELLER PURSUIVANT

JEWSMELLER PURSUIVANT

At this time in history one must become an adept at discrimination, he must learn to discriminate between good and evil and those who bio-spiritually play which roles, to sort them out and thereby come to an understanding of how different kinds must be treated, to avoid or pursue to shun or attract and if so in what way. A thorough knowledge of the different kinds is necessary in order to properly conduct oneself vis a vis these different kinds, especially those from whom benefit are to be derived or from whom harm is to come. The fact that in many cases harm is of greater concern in dealing with Others those who could potentially harm one are of greatest concern. Of course many would consider this a negative view and focus on those who offer benefit first. I would counter and respond that all benefit worthy of the name can come from and through the Self independent of relations with the Other and priority should be accorded to focusing on the harmful “Other” when attention is to be shifted from other types of activity in place of the beneficial ‘Other’. This is not to say that the latter should be excluded, merely accorded subordinate place in consideration. And who is this ‘Other’ that harms potentially or actually and when involved in relations therewith almost of necessity leads to a loss or a cost to oneself? If not immediately than for a larger purpose, of greater profit to this Other and corresponding loss to Self? Why if it isn’t the jew. Thus in order to protect oneself, to ensure against loss stemming from dealings with the jew one must become what I will term, in the manner of the BBC sitcom Blackadder’s “Witchsmeller Pursuivant” a **“JEWSMELLER PURSUIVANT”**, that is to say one equipped with the necessary acumen and discrimination to scent out jews and thereby circumvent whatever harm they would visit upon oneself in advance, as a ‘preemptive strike’, table turning on the jew before they strike, like shooting a lion on African safari prior to its lunging at one from the bush.

This is not to condone any such acts of violence against jews, rather a counter-violence, a circumvention or jew-jitsu whereby the jew is ‘thrown for a loop’ prior to visiting harm upon one, assuming that there is no alternative but to confront the ‘Other’.

In becoming versed in the lore of jewishness, its characteristics and attributes, one must make a thorough going empirical study of jews in one’s own personal life, through a prior acquaintance with the following works which constitute a **basic course** on jewishness:

- 1) *“How to Recognize and Identify a Jew”*, by John Doe Goy;
- 2) *“The Racial Biology of the Jew”*, by Baron Freiherr von Vershuer, M.D;
- 3) *“What is a Jew”*, from Der Stuermer, the 3rd Reich magazine of Julius Streicher;
- 4) *“On the Physical Characteristics of the Jews”*, John Beddoe Transactions of the Ethnological Society of London, Vol. 1 (1861), pp. 222-237;
- 5) *“Purity of Race”*, Joseph Jacobs (a jew), Jewish Encyclopedia, 1905, p.283-4; 1901, p.619; other articles in the same encyclopedia 1901-1905
- 6) *“The Biological Jew”*, Eustace Mullins;

The first 5 works acquaint one with both the anatomy and physiology of the jew and prepare one to visually, olfactorily and psychologically understand the jew in his behaviour and dealings with others. The 6th work adds corroboration of the behavioral attributes of the jew and a perusal of selections from the Babylonian Talmud, the jews’ religious text drives home the malignancy which is the jew’s inherent nature.

From a reading and rereading of these works over time and juxtaposed with a practicum of sensory experience in real life and through consulting search engine ‘image’ searches for such key words as ‘jew’, ‘jewish’, etc. One can glean a large body of evidence to lend itself to an educational background on this predatory being.

JEWS-----WHO ARE THEY? (a brief synopsis)

JEWS are a RACE(a matrilineal inbred ethnicity) ;

JEWS are a RELIGION (based on RACIAL SUPREMACISM);

JEWS FUNCTION as a RACE (they self-organize around the concept of `chosen people`);

JEWS are ALL of the above...and below (traits):

ANATOMY:

HEAD:

hair: widow's peak hairline; often dark, curly(could be any colour); often receding or bald[ing]; sparse
ears: earlobes attached to jawline; low set ears; often protruding; 'rat/rodent-like'; larger, especially upper ear

chin: weak; receding; low/slanting jaw: heavy;

broad cheekbones/maxillae

forehead: narrow; receding(acute angle when viewed in profile);

skull: occiput(back of head): flattened/high ;abnormally low skull: brachycephalic(round headed)

eyebrows: arched; bushy

eyes: almond/asiatic/'squinty' shaped; 'lizard-like'; thick/fleshy eyelids; 'sleepy'; laterally drooping; 'pop' eyes(protruding laterally)

eyelids(lower):'puffy'

nose: convex; 'hooked'; noticeable 'hump' in top portion; resembles a '6' in profile view; long and narrow; ancient 'Hittite'-style nose not 'semitic'

face: long; thin; 'pinched'(narrow)

mouth: gaping; frog(slim/wide/pronounced); mouth opening larger than normal

skin tone: 'corpse-like'; pasty; sallow; yellow

BODY: torso: elongated; 'reptilian' limbs: short relative to torso length

PSYCHO-SOCIAL BEHAVIORAL TRAITS: gaze: wary/piercing voice: high-pitched; often nasal; sometimes husky gait: shifty/uncertain; flighty gestures: moves hands when talking speech/tone: jabbering; nervous; aggressive; whiney odour: unpleasant; sweetish vibrations: 'dark'; negative; vampiric psychology: psychopathy; mendacity; surreptitious; obsessive-compulsive; neurotic

JEWISH PSYCHO-LOGY, aka. mind control sorcery techniques used by the jews:

1) scape-goating/set-up-man/framing/frame-up/transference/shifting blame/reverse projection/table-turning/: setting up another as the villain to avoid culpability for one's own deeds; attributing to the attributor what he attributes to yourself

2) straw man: Constructing a false identity of another to have others destroy them thinking it is their real identity; often comes in the form of smearing/ slandering the victim

3) victim pose/ possum play/passive aggression/: portraying yourself as a victim or weak/inferior to disarm opposition by deceiving them into thinking you are not a threat to their power; also used to incur sympathy from others and turn them against threats to oneself(eg. one's own enemies); portraying oneself as a victim/injured

party to weaken opposition through feigning weakness often while subtly/guilefully injuring them

4) ad hominem/vilification/mudslinging/labelling/defamation(slander=spoken/libel=written): portrayal of an opponent in a negative light for the purpose of i)destroying or ii) exploiting them

5) divide and conquer/ playing both ends against the middle/triangulation: get enemies to fight against each other to 'fall on their own swords'/mutually destroy each other thereby subjugating opposition/ingratiate oneself with one party and turn them against the other,etc.

6) parasitism: exploitation of others without contribution in the manner of a parasite

7) passing off/expropriation: representing another's work as one's own for personal gain

8) chameleon/shape-shifting/actor: adopting fluid behaviour/character that changes with circumstances for the purpose of ingratiating oneself with the dupe

9)shaming/demoralization: getting the opponent to turn inward and believe there is something wrong with them/their (past) actions as a means of getting them to make concessions to you(eg. the sins of the fathers)

10)mockery: discrediting opposition through derision

11)pied piper/mountebankery/rabble rousing: representation of self as benevolent leader of 'victims'(workers/non-whites/women/freaks, etc.); to use 'victims' to strike against opposition(see 'cats paw')

12)middle man: role played between parties allegedly for their (mutual) benefit to derive personal advantage

13)poison the well: creating problems in an environment(society, workplace, etc.) for personal advantage typically through slyness/deceit

14)false front/false humility: the creation of a false identity character for purposes of ingratiation with intended victims/lowering the opponents' defence or subjugating offence

15)bold-faced lying: "its' not a lie if you believe it"-George Castanza/talmud

16)Semantic twisting: pharasiacal interpretation of words or deliberate misuse/wrenching from context to distort the meaning of words

17)interrogation:

use of cross-questioning/(socratic) dialectical techniques to establish the position of the Other/ascertain their opinion/belief/establish liability(all government agents are taught this) **18)**gradualism/leaven of the pharisees: introducing(near) imperceptible change that creates desired circumstances the opponent would not allow given an awareness of the end result.(surreptitious slippery slope)

19)preemption/preemptive strike: anticipation of the opponents' move and countering it through making the first move or 'strike'

20)gaslighting: distortion of the perception of the opponent through convincing them to believe that their perceived reality is incorrect and they must change to the desired state thereby -which is itself forever changing/portrayed as inadequate-leading to their subjugation(a form of demoralization)

21)blinds/cats paws/dupes/patsies: these are gullible/unwitting 'useful idiots' who perform a role in your agenda and who have blame transferred to them if necessary(often plays a scapegoat function)

22)provoke/instigate/antagonize: to deliberately rile up opponent to elicit a reaction that portrays them in a negative light/yourself in a favorable one

23)emotionalize: introducing emotive content into relations with others(eg.discussion/debate) to create certain emotional reactions in the audience or interlocutors. To make an emotional issue arise where none existed before. Done through tone of voice; use of trigger/buzz words; actions/gestures,etc.

24)Nudge:i)control the options ii)shotgun clause iii)restrictive choice: i)engineering circumstances to enable oneself to control the outcome; ii)orchestrate/represent circumstances such that the opponent has choices only in your favour (eg. lesser of two evils); iii)restrict their choices

25)blame the victim: similar to reverse projection but differs in harming an opponent while blaming them for your actions/implicating them as the cause of their own suffering. **26)**dynamic silence: refusal to acknowledge the position/statements of the Other as means of subjugating Other

27)Normative Inversion: positing the inversion of an Others' norms as the good to subjugate the Other

28)Double Talk/speak/Newspeak/Ambiguity: use of irrelevant, meaningless or ambiguous language to create confusion in the Other

29)Argumentative fallacies: see D.N Walton, "A Pragmatic Theory of Fallacy"

To sum up: the above 6 books+ real life experience+images=jew awareness. One can thusly proudly proclaim himself a **JEWSMELLER PURSUIVANT** and append a yellow star merit badge to his caftan and hire himself out for private consultation.

Beyond this entry level apprenticeship one can reach yet other levels in his education, necessarily a trade skill such as: how to avoid being scammed by jews in business dealings and through dealings with government employees,etc. And possibly to play jew-jitsu with them as a journeyman or master '**DIN RODEF**', which of course means 'pursuer' in yiddish and refers to those who are aware of jews and oppose their plans as laid out in such works as "The Protocols of the Elders of Zion", Israel Cohen's "Racial Program of the 20th Century"(racial mongrelization and white marginalization); Richard Coudenhove von Kalergi's "Practical Idealism"(racial mongrelization of the white race); ;"Germany Must Perish!"(forced sterilization advocated),Theodore N Kaufman; Harold Rosenthal,"The Hidden Tyranny"; Earnest Hooton plan(forced mongrelization of Germans with negroes) (1943); Henry Morgenthau,jr."Germany is our problem: a plan for Germany"(genocide of German people). Over time and further experience one may attain grandmastery and further develop the science and art of how to recognize, identify and deal with jews.

COLLEGE OF ANTI-JEWISHISM

Washington, District of Columbia

To all persons who read these letters, Greeting:

*Be it known that the President, Faculty, and Trustees,
by virtue of the authority granted by The United States of America,
have conferred upon*

the degree of

JEWSMELLER PURSUIVANT

*together with all the honors, rights, privileges, and responsibilities
thereunto appertaining.*

*In witness whereof, we have hereunto affixed the seal of the University,
and subscribed our names, in Washington, in the District of Columbia,
the tenth day of May, Twenty Fourteen*

Maurice A. East
Dean of the Elliott School of International Affairs

Stephen Joel Trachtenberg
President of the University

CONGRATULATIONS!
