ALCOHOL-ISM

Alcohol-ism:

The 'ism' of the alcoholic, devotee to the bottle which is his substitute god, source of in-spiration, his imbibition of spiritual strength with every pop of the cap and every gulp. This 'gift that keeps on giving' King Alcohol promises to make of every devotee a king in his own inebriated mind but merely renders him a king of beggars and beggar to the king (King Alcohol that is). This religion properly so-called, what people call 'drinking' is the creed of he who has lost all sobriety of mind who voluntarily abandons his own soberness as he can't cope with this own inner contradictions, his own demons, and so must avail himself of the assistance of King Alcohol to pluck his eye out to avoid looking upon himself in the mirror as he is too weak-willed to overcome his baser instincts and tendencies which lead downward towards the lower states of consciousness, animalistic indulgence and self-stimulation. The Jew created the culture of alcoholism to destroy the white race and alcohol is the scourge of white survival. Thus its intended purpose has worked well for the devil race of Jewhovah in destroying the better type on this earth through induction of addiction, the initiation into the Bacchic rites of Alcoholism, simultaneously spinning off profits to enrich the Jew in the continual poisoning of the masses. The criminality which stems from the fount of the bottle enables the Jew to build up his police state thereby justifying the enslavement of the masses in the name of keeping the sheeple safe in their pens.

Temperance Now! Towards a neo-temperance social movement The tool of poisoning the mind through propagandizing the minds of the herd to look favorably upon and seek out/desire a liquid poison called 'alcoholic beverages' as if it were a mere benign and appealing thing has been one of the fundamentals of the black magic bag of tricks the archons have at their disposal. To create the false association between the consumption of a nerve poison and the status of social prestige and togetherness is the trick most conducive in its fluidity and undetectability of destroying the souls of the 'goyim' who are the target of those who brew this poisonous substance. The current culture(kult-your) designed to be adopted as a socially acceptable form for normal social expression is in reality a crucible of corruption, a spider's web in which the flies are to be trapped and drained of their blood(money energy)-as the currency of their social acceptability). The nature of alcohol as an addictive substance further perpetuates this downward spiral of health, wellness and concomitant moral integrity. A poisoned brain facilitates the poisoning of the mind, as below so above and this is the deliberate kabbalistic intent of the sorcerers' orchestrating the logic of the social with demiurgic malevolence. To destroy in the physical is to destroy egregorically in the spiritual and thereby to negate materialization of life forms in 3-D reality. Alcohol, by virtue of its ease of manufacture, its correlative cost effectiveness and high addictiveness make it the perfect tool of cultural/racial degeneration targeting those races most susceptible to it(those who have the genetic ability to possess it, aka 'tolerance' and for whom it creates an apparently pleasant inebriation and relaxed state thereby creating a false association between alcohol and relaxation/enjoyment). 'Eliminate the cause eliminate the effect'-this should be the strategy employed in rectification of the polluted culture/race of whites through this medium. The false association needs to be severed at its root as a gordian knot of social programming and this through shaming and more positive values that creates a new and more nature based association with alcohol and human consumption therefore namely, physico-spiritual degeneration and addiction which perpetuates the addiction and degeneration in a negative feedback loop spinning off endless illconsequence. Emphasis on positive values is the cardinal point, the so-called spear point of the temperance agenda, an anti-hedonist, anti-self-indulgent agenda by default with the replacement emphasis being on a stoical contraction within as a revelation of the mind beyond the fray of divisive struggle in the cthonic plane of materiality. Concentration, meditation, contemplation is a three-fold strategy of krist-consciousness development and the existential phenomenological basis of stoical ascesis itself a springboard of concentrated and prudent action upholding the harmonious relation's between man and man and nature(cosmic and cthonic). The inner must be developed for the outer to exist-no rocket to the moon can be sent if it is only a bottle rocket.

Alcoholism represents the denouement of higher consciousness as a willful practical action directed against the temple of the human body as an assault, a raising of the temple with the firebrand of willlessness, a spineless desire to avoid and escape the harsh realities of life through chemically plucking out the eye and-it is hoped by these types-thus dispensing with the mote dwelling within. The consequence is ignorance of fact and inevitable blindness in the face of the threats inevitably besetting one on all sides. A chemical blinding leads to a blindness of the third eye through destruction of the material structures necessary for the destruction of higher consciousness . An augmentation or amplification of alcohol's influence is its further false association with sexual activity, the necessary drives universally present in man and thus given this ubiquity ripe for exploitation as a vehicle of self-pollution. To conjoin a fundamental activity based on innate, instinctive behavior with a self-destructive behavior totally unnatural and perverse is the ultimate coup d'etat of the archontic rulers for "kill the body and the head will die"- and they understand the causality inherent in things and how to exploit it. Stoicism again is the key to prevention of degeneration: temperance, ie. to curtail excess and negate the negation.
